

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

DONALD R. CAMERON, et al.,

Plaintiffs,

v.

APPLE INC.,

Defendant.

Case No. 19-cv-03074-YGR (TSH)

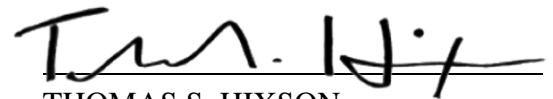

**ORDER RE: SANCTIONS MOTION**

Re: Dkt. No. 223

The Court apologizes if it made any comments that caused confusion. However, a sanctions motion must be raised in a motion under Civil Local Rule 7 and cannot be raised in a joint letter brief. *See* Civil Local Rule 37-4(a). The motion should be directed to the undersigned's attention but should be a regular motion, not a letter brief. The parties' Joint Discovery Letter Brief Regarding Motion for Sanctions at ECF No. 223-3 is therefore denied without prejudice to Apple filing a sanctions motion under Rule 7.

**IT IS SO ORDERED.**

Dated: January 7, 2021

THOMAS S. HIXSON  
United States Magistrate Judge
